

CERTIFICATE OF CLIENT MEDICATION ASSISTANCE

- ✓ Online study
- ✓ Optional printed materials (fees apply)
- ✓ 60 hours course time

COURSE OVERVIEW

If you work in the health or community care sector, this online professional development program will provide you with the knowledge and skills required to assist clients with their medication needs.

The Certificate of Client Medication Assistance will show you how to provide assistance with medication in response to an assessed need identified by the client or their substitute decision-maker. You will learn how to assist with medications in accordance with the health, support, and care plan, and in line with jurisdictional requirements, under the direction of nursing staff.

On completion of this course, you will feel confident to facilitate and administer medication under supervision to a client in an aged care facility, home or community care setting.

UNIT STRUCTURE

Unit 1 - Assist clients with medication

Unit 2 - Administer and monitor medications

Please view the [course outline online](#) for a list of topics covered in each unit.

ASSESSMENT

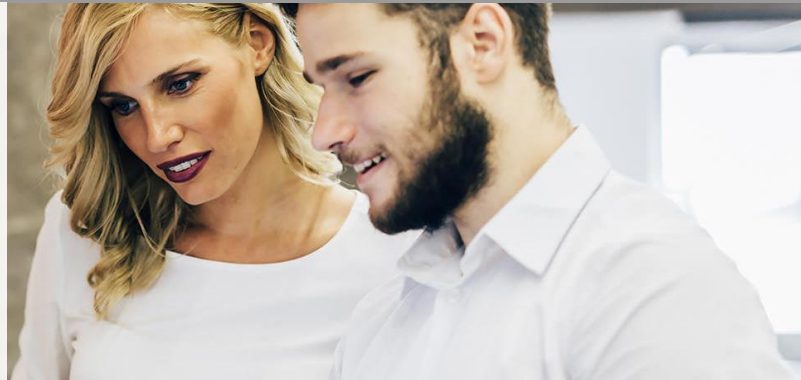

Written assignments and exercises, including short-answer questions, reports/essays and projects. There are no examinations or due dates
