### COURSE OVERVIEW

Contracts are entered into by two parties to form a legally binding agreement, which becomes a serious and vital document. Despite this, many individuals and business owners do not fully understand contract law.

Introduction to Contract Law is a short online course that is ideal for anyone responsible for entering into contractual agreements or managing contracts.

In this online contract law course, you will gain a foundation understanding of contract law and the knowledge required to analyse and evaluate contractual issues. You will also discover the nature and meaning of the contract, assess sources of legal information and evaluate the significance of contracts and contract law in business.

On completion of this course, you will understand the principles of contract law and how to analyse and evaluate crucial issues, including illegal and void contracts and breach of contract.
